## Public Safety Exposure Control and Prevention Website

**Exposure to infectious diseases is a serious threat to first responders.**

The Public Safety Exposure Control and Prevention Website was established to improve the Commonwealth's response to exposure-prone incidents involving public safety personnel and to unify exposure control and prevention plans, guidance and resources. The website includes:

- ✓ Information and resources for exposure control and prevention
- ✓ An Exposure Determination Tool to help public safety determine if they were exposed to an infectious disease while on the job
- ✓ Guidance for developing Exposure Control Plans
- ✓ Information on Designated Infection Control Officer training
- ✓ Information about vaccines and recommendations for public safety personnel

**Visit the  
Website @**
